

Lab#8 Create a responsive web page of your college which includes information regarding Vision, Mission, Program specific outcomes, Courses Offered, Image gallery of events, Top Recruiters using Bootstrap only.

TAGS USED	ATTRIBUTES USED	DESCRIPTION
<!DOCTYPE html>	--	Declares the document as an HTML5 document.
<html>	lang	Defines the root element of the HTML document.
<head>	--	Contains metadata, title and stylesheet information.
<meta>	charset, name, content	Specifies character encoding and responsive viewport settings.
<title>	--	Defines the title displayed in the browser tab.
<link>	href, rel	Links the Bootstrap CSS stylesheet from the CDN.
<body>	class	Contains all visible webpage content and uses Bootstrap background styling.

<header>	class	Defines the header section and uses Bootstrap background, text, alignment and padding classes.
	src, alt, class, style	Displays the Marwadi University logo and provides alternative text.
<h1>	class	Defines the main heading and uses Bootstrap font-weight styling.
<h2>	class	Defines the department heading and uses Bootstrap heading styling.
<nav>	class	Defines the navigation bar and uses Bootstrap background, alignment and padding classes.
<a>	href, class	Creates navigation links to different sections and applies Bootstrap link styling and spacing.
<section>	id, class	Defines separate webpage sections and uses Bootstrap container and margin classes.

<code><div></code>	class	Creates Bootstrap containers, cards, card bodies, rows, columns and alert components.
<code><h3></code>	class	Defines section headings and uses Bootstrap text-color and font-weight classes.
<code><p></code>	class	Defines paragraphs and uses Bootstrap spacing classes where specified.
<code></code>	class	Creates an unordered list and uses Bootstrap list-group styling.
<code></code>	class	Creates an ordered list and uses Bootstrap numbered list-group styling.
<code></code>	class	Defines list items and uses Bootstrap list-group-item styling.
<code><footer></code>	class	Defines the footer and uses Bootstrap background, text color, alignment and padding classes.

Final Outcome:

The screenshot displays the website for Marwadi University, Department of Computer Engineering. The header is blue with the university's logo and name. Below the header is a navigation bar with links: Vision, Mission, Programs Specific Outcomes, Courses Offered, and Top Recruiters. The main content area is divided into three sections: Vision, Mission, and Programs Specific Outcomes. The Vision section states the goal of imparting quality technical education. The Mission section lists four objectives related to teaching methodologies, digital literacy, skills development, and lifelong learning. The Programs Specific Outcomes section lists one outcome related to applying knowledge in computer-based systems.

Marwadi University
Department of Computer Engineering

[Vision](#) [Mission](#) [Programs Specific Outcomes](#) [Courses Offered](#) [Top Recruiters](#)

Vision
To impart quality technical education through research, innovation and teamwork for creating professionally superior and ethically strong manpower that meets the global challenges of engineering industries and research organizations.

Mission

- Maintain state-of-the-art ICT enabled teaching and learning methodologies.
- Enable graduates to become digital age literates, innovators, and professionals.
- Provide skills, knowledge, and attitudes for success as engineers, leaders, and entrepreneurs.
- Prepare graduates for lifelong learning and career challenges.

Programs Specific Outcomes

1. Apply knowledge and competence in the design and development of computer-based systems addressing industrial and social needs.

Programs Specific Outcomes

1. Apply knowledge and competence in the design and development of computer-based systems addressing industrial and social needs.
2. Adapt to emerging technological advancements including cybersecurity, AR/VR, and IoT.

Courses Offered

B.Tech in Computer Engineering
M.Tech in Computer Engineering
Ph.D. in Computer Engineering
B.Tech in Information Technology

Top Recruiters

Microsoft	Google	Amazon
Infosys	TCS	Wipro
IBM		

Programs Specific Outcomes

1. Apply knowledge and competence in the design and development of computer-based systems addressing industrial and social needs.
2. Adapt to emerging technological advancements including cybersecurity, AR/VR, and IoT.

Courses Offered

B.Tech in Computer Engineering
M.Tech in Computer Engineering
Ph.D. in Computer Engineering
B.Tech in Information Technology

Top Recruiters

Microsoft	Google	Amazon
Infosys	TCS	Wipro
IBM
